**Re: Donoghue vs. Local.com Corporation and Hearst Communications, Inc.
07 Civil 8550 (LBS) // Memorandum of July 7, 2008 // Document # 32**

Your Honor:

As one of plaintiff's counsel I respectfully respond to Your Honor's Memorandum of July 7, 2008, Document # 32.

Plaintiff's counsel join in the good wishes extended to you on your 80th birthday and your 30th anniversary as a judge.

Ms. Burton very properly informed us of her having served as your law clerk at the time of our first meeting in 2007. The re-engineered Hearst Building is a striking piece of adaptive architecture well worth a detour.

We see nothing in the tribute paid to you by your former law clerks, notwithstanding its venue, that would warrant a motion for recusal and we have no intention of making one.

We hope to move on with the case on its current briefing schedule.

Very truly yours,

David Lopez
